100% of Your YMCA Donation Goes to Helping YOUR Community!

You know the challenges that we face in Mayfield and Graves County. People of all ages and backgrounds are struggling to reach their full potential. More and more children face seemingly insurmountable learning gaps. Families find it difficult to spend quality time together. Playing outside has become a rarity. Face time happens through a phone. And instead of seeing the income gap shrink, it seems all we do is watch it grow.

But where society falls short, the Y – and donors like you – step in. Together we make a difference in the lives of thousands of people and a huge impact on each individual we serve.

After 23 years of serving Western Kentucky, the Mayfield Graves County Y understands what our community needs to be its best. Working with generous donors like you, the Y provides everyone the opportunity to be healthy and thrive, to connect with others, and contribute to a better community. Everything the Y does is in service of making us – as individuals and a community – better.

In March, the Mayfield Graves County Y will begin our annual campaign to raise the charitable funds needed to address the issues that concern you. Every dollar donated to the Y stays local and has a lasting impact on the people of Mayfield and Graves County. Your gift will help feed hundreds of children over the summer, offer classes and free family events to everyone in the community, help senior citizens afford active lifestyles, keep baseball in our community for our children, provide a safe space for children and teens to find support and care and so much more!

Yes, you know the challenges we face in Mayfield and Graves County but just like the Y, you see the opportunity to make a difference. The Y is your partner, standing with you to strengthen our community. Make a donation today and take your first step in making a difference and building a better us. For a better you. For a better community. For a better us.™

Sincerely,

McKenzie Suiter
